STATEMENT

33

34 This bill supplements the "Fair Housing Act," P.L.1985, c.222
35 (C.52:27D-301 et al.), to require the Council on Affordable Housing
36 ("COAH") to adjust a municipality's fair share obligation to reflect
37 any permanent job loss within a municipality upon petition of the
38 municipality. The municipality may petition the council following
39 notice from an employer pursuant to the federal "Worker
40 Adjustment and Retraining Notification Act" ("WARN"), 29 U.S.C.
41 2101 et seq., or receipt of notice of job loss in the municipality from
42 the Department of Labor and Workforce Development or an
43 equivalent federal agency.

44 WARN protects workers by giving them advance notice of
45 certain large-scale layoffs. This federal law requires large-size
46 employers (defined under the federal law as businesses with 100 or
47 more employees, excluding part-time employees; or 100 or more
48 employees who in the aggregate work at least 4,000 hours per week,

1 exclusive of hours of overtime) to notify local government units
2 prior to either laying off more than 50 employees or permanently
3 shutting down a facility or operating unit when the shutdown would
4 affect more than 50 jobs. This legislation would require COAH,
5 upon petition of a municipality where a shutdown or mass layoff
6 has occurred, to adjust the municipality's fair share obligation to
7 reflect the permanent job loss in that community because of the
8 closing or layoff.
